Taimoor Ahmad

25 years old
Software Engineer / Software Developer @ Inspire Uplift

Summary

I am a dedicated person who wants to use his skills and get exposure to the learning environment and want to be part of the success and excellence. As a graduate with 3+ years of experience in IT. I am an energetic, ambitious, and self-motivated person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. My professional goal is to become a valuable asset and productive member of a company. I am excellent at working with others to achieve a certain objective on time.

Specialities

100%	100%	100%	100%	100%
Bootstrap	CSS	HTML	Git	Elasticsearch
